

# BLUSKY™ RUSTKIL

## Rust and Stain Remover

### Description

**BLUSKY™RUSTKIL** is fast acting, easy to use, rust and stain remover especially from iron and steel. **BLUSKY™RUSTKIL** is completely soluble in water, thus can be diluted with water if required. Diluted **BLUSKY™RUSTKIL** is biodegradable, non-flammable and non- carcinogenic.

### Indicative Characteristics

Form	Viscous Liquid
Colour	Off White
Specific Gravity at 27°C	1.06 ± 0.02
Chloride Content	Nil [As per BS: 5075, Part-I]

### Domains of Application

The formulation of **BLUSKY™RUSTKIL** is designed to remove rust and stains safely, quickly and effectively from corroded iron and steel prior to paint. It removes stains from marble and tiles and brings back its new shine. **BLUSKY™RUSTKIL** is a good stain remover from domestic household appliances like basin, sink, taps, brass items etc.

### Method of Application

- Shake contents before use.
- Apply over the corroded area with a brush, roller or sponge. Allow a dwell time of 10-25 minutes depending on the amount of rust/stains to be removed.
- For heavy encrustation it is advised to use a wire brush prior to apply of **BLUSKY™RUSTKIL**.
- Rinse thoroughly with water.

### Coverage

Coverage will vary depending on texture of surface. On smooth steel surface consumption is around 100-150 gms per sq. mtr per coat.

### Advantages

- Easy to use, simply follow the directions.
- Available in ready-to-use pack.
- Fast acting and efficient cleaning.
- Diluted **BLUSKY™RUSTKIL** is eco-friendly.
- **BLUSKY™RUSTKIL** promotes bonding of paints.
- Non-staining to concrete.

### Shelf Life & Storage

6 months from the date of manufacturing when stored in unopened, original sealed and dry condition at a temperature range from +5°C to 40°C

### Packing

5, 10, 20, 50 Liter container.

### Precautions

- Always store in dry, cool place away from direct sunlight.
- Always store in unopened sealed container.
- Stir well before use.

### Safety

- Wear hand gloves, safety shoes and safety goggles while using and handling the product.
- In case eyes or mouth are affected wash with plenty of clean water and seek medical treatment immediately.
